Child Care Aware® of NH

NH's Most Trusted Child Care Resource

Every family deserves access to quality child care- and every business deserves a stable, engaged workforce. Child Care Aware of New Hampshire (CCAoNH) works at the intersection of family support and community economic development to improve child care accessibility and quality statewide.

For Businesses & Employers

Support your employees by ensuring they have reliable, high-quality care for their children.

- **Resource & Referral:** Help employees find qualified care through our free database.
- **Consumer Education:** Tools to help staff identify quality programs that fit their needs.
- **Workforce Stability:** Reduce absenteeism and turnover by addressing child care barriers.

For Community Partners

We provide the essential resources and infrastructure needed to build healthy, thriving communities.

- **Training & Technical Assistance:** Specialized support for programs to increase teacher competency.
- **Cross-Sector Collaboration:** Collaborates with state stakeholders to maintain child care as a pillar of family and community health.
- **Workforce Development:** Strengthens the child care system and retention of the early childhood workforce through TEACH scholarships and Apprenticeship programs featuring mentored on-the-job learning.
