FREE, Confidential, & Tailored Child Care Referrals

- We provide referrals, not recommendations, tailored to meet the needs of each family seeking child care. Program's have been approved to operate by NH's Child Care Licensing Unit, if licensed or have met License Exempt requirements.
- This includes finding care that accepts the NH Child Care Scholarship.

Consumer Education and Resources

- We offer information on what high-quality care looks like and the important questions to ask when you visit programs.
- Find resources on child health, safety, family wellness, and child development to support your child's growth.
